RE: Request of Clifton Power Company on the Public Service Commission's
Jurisdiction of Electric Vehicle Charging Stations, Docket No. 2021-210-E

Dear Ms. Boyd:

Clifton Power Company ("Clifton") filed its Request initiating this docket on June 22, 2021. A Petition to Intervene on behalf of our client ChargePoint, Inc. ("ChargePoint") was granted in this docket on May 9, 2022. All parties of record and ORS must prefile direct testimony by May 23, 2022, and must file a motion to pre-file any surrebuttal testimony by June 2, 2022. Surrebuttal testimony would then be due by June 6, 2022. A hearing in this docket is set for June 21, 2022.

ChargePoint does not intend to submit pre-filed direct testimony. ChargePoint respectfully reserves its right to respond to the pre-filed testimony that may be submitted by Clifton and any other parties in this docket.

ChargePoint also respectfully joins ORS's May 2, 2022, request that the Clerk's Office issue a revised Notice in this docket to remove the requirement that a party seeking to file surrebuttal testimony first file a motion.

By copy of this letter, we are also serving the parties of record with a copy of the same.

Thank you for your assistance with this matter.
